2.00pm	Hear the church organ being played
3.00pm	History tour of the church
4.30pm	Church closes

Tea, coffee, and soft drinks will be provided during the day.

June 2022

Dear Friends

St Andrew's church stands at the heart of the Good Easter community and has been a key part of the village for 800 years.

Now in the 21st century, we want to create a church building that can provide a hospitable welcome for all - hospitality is a Christian fundamental. And that's why we have exciting plans to create a kitchenette and toilet within the existing building.

We want to invite you on 25 June to hear about our plans, learn about the church's history, and take part in some fun activities.

We still need to raise £25,000 to complete the kitchenette and toilet project, after a long period of fund-raising and making grant applications. However, the day is not only about generating interest in this project. If you have been thinking about how you might use your talents and skills to contribute to the life of St Andrew's, this is a great time to come and talk about how you can do that.

Myself, our curate Gary Fleming, churchwarden Di Matthews and other members of the PCC will be in the church on 25 June.

We look forward to welcoming you.

The Reverend Robert Stone, Priest-in-Charge

We really hope you can join us on the day, however if you are unable to and would like to know more about how you can get involved in the life of St Andrew's or contribute to the project please get in touch with Di on 07729 899023. Alternatively, please use the QR code to make a financial donation to the project with the description 'TK Project'.

Thank you
Good Easter Parochial Church Council
